EXPANDED MISSION:

- NO officers, members and/or volunteers of Operation Jersey Cares receives a salary or monetary compensation for their efforts.
- OJC has packed and shipped in excess of 750,000 pounds of care packages to our deployed servicemen and women. We continue to maintain our weekly shipments to our HEROES serving overseas.
- OJC supports our veterans who are suffering from the effects of deployment, as well as assisting them as they transition back into civilian life.
- All members volunteer their time, while looking for no recognition and paying it forward, in the following manner:
 1. Seeking donations of cash, grants and goods-in-kind from corporate sponsors, community partners, veteran groups and patriotic citizens.
 2. Supporting our military families in need, homeless veterans, Veterans in Transitional Housing and our wounded service members at various VA hospitals throughout the country.
 3. Organizing fundraising efforts to meet our mission annually.
